# The Sixth Form Year Book

ST. PAUL'S SCHOOL

CONCORD, N. H.

1930

WITH AFFECTIONATE MEMORY

ELLSWORTH GREENLEY

GEORGE AUGUSTINE JAY

## Foreword

IT IS to be noted that this year the book is being printed in Concord, that the advertising has been secured in a businesslike manner, and that every effort has been made to produce a form book pleasing to the large majority, yet conservative and free from avoidable invidious comparisons.

After much deliberation and voting on the part of the form and the committee, several changes have been made. The most important is the position of the activities of the Sixth Form. We have also added addresses and scholastic honors.

We sincerely hope that this volume will be one means of holding together in spirit the Form of 1930.

GORDON CHASE STREETER, *Chairman*,  
JOSEPH BARKER, JR., *Business Manager*,  
ALEXANDER ROBERT LAWTON, *3d*,  
RAYARD HENRY ROBERTS,  
HAYDEN SMITH,  
MORGAN KINMONTH SMITH, JR.,  
EDWARD ENSIGN MILLS, *Advisor ex-officio*.

THE RECTOR

THE COUNCIL

1900-1901

2. The  $\text{R}^2$  value for the regression model is 0.99, indicating that the model explains 99% of the variance in the dependent variable.

$$I \quad II \quad x \in I \quad \wedge \quad a \in I, \quad I$$

1.  $\text{H}^+$  ions are released from the acid.  $\text{H}^+$  ions combine with the hydroxide ions from the base to form water.

### *Non-Returning Fifth Formers*

[illegible]

## *The Year*

WHEN the School re-assembled in September 25 of the Sixth Form entered on our list of College Boards joined case, we spent much time on athletics, and responsibilities redoubled.

In the sports all the School teams had good seasons especially in Baseball, Track and Squash. In the cross series, the Istamians won in Football, the Old Handreds had championship teams in Hockey, Tennis and Baseball, the Delphians won Cross Country, Track and Squash. The Huleyons won the first crew race and the Dole Cup.

The Missionary Society did much helpful work throughout the year and all the other clubs were active. The Hecy more than equaled the high quality of previous years. The Council, under splendid leadership, carried on its varied and useful work.

Not was the social side forgotten. The Upper Formers and athletes turned out in all their finery at a most enjoyable dance on Washington's Birthday given by the Rector. Race Day evening was the time of more festivities ably managed by the Dance Committee.

Among the novelties this year were exercises in the Chapel lawn, the use of Hargate dining room, the debate with Grafton, the formation of the Glee Club, the extensive use of the school radio and the introduction of mid-year exams.

We leave with regret, but with the hope that we have done our bit toward furthering the ideals and practices on which our school is founded.

THE NEW UPPER SCHOOL

THE LOWER SCHOOL

## *Dramatics*

ALTHOUGH there was no "Masque Comedy" this year, the School was entertained by a very successful comedy play on Washington's Birthday. The play, performed at The Master Play,

The Dramatic Club's production was titled "Three Were One". It depicted a very interesting and amusing story of a young man who had to go through a series of adventures. The play was a very successful one, and the audience was very much entertained. The play was performed by a group of students, and the audience was very much entertained. The play was performed by a group of students, and the audience was very much entertained. The play was performed by a group of students, and the audience was very much entertained.

Later in the winter term, the whole School was entertained by a two-act play, called "The Playmakers". The first act was a very interesting and amusing story of a young man who had to go through a series of adventures. The play was a very successful one, and the audience was very much entertained. The play was performed by a group of students, and the audience was very much entertained. The play was performed by a group of students, and the audience was very much entertained.

THE DRAMATIC CLUB

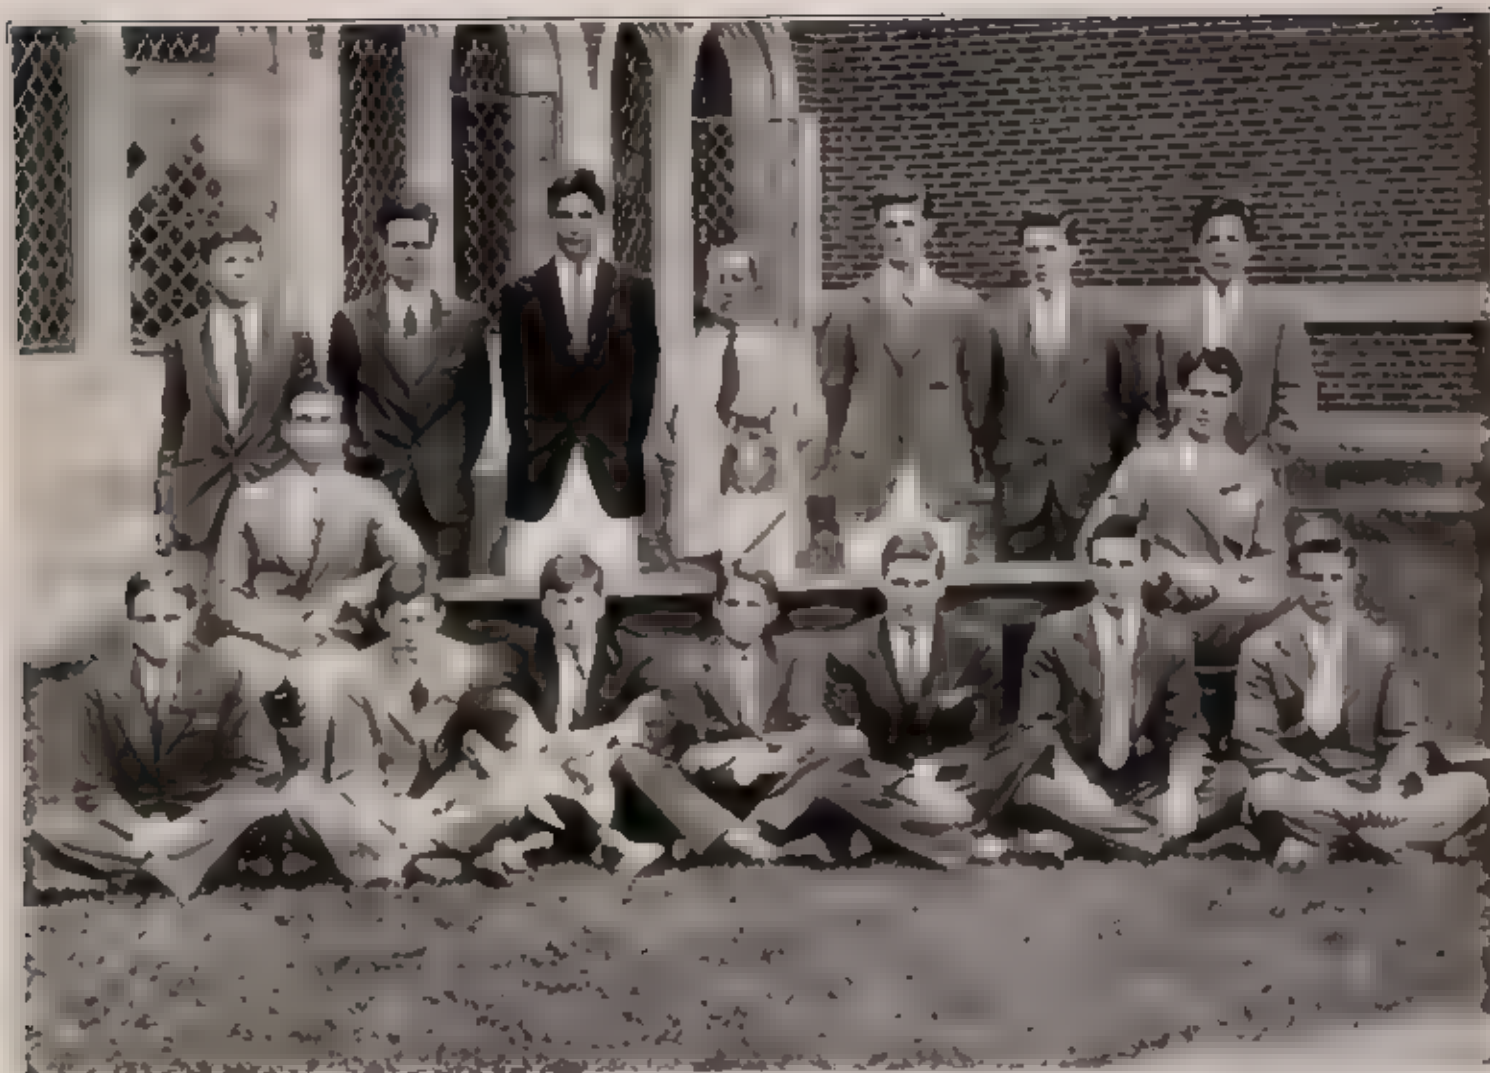

THE ASSOCIATES

## *The Horæ Scholasticæ*

THE HORÆ SCHOLASTICÆ this year completes its seventeenth year of publication. Except for a few short lapses, it has appeared regularly since 1841. We now have as a regular feature of school life the best school magazine in the country. This year Johnson and Wiley as Head Editors, with Mr. Soderstrom, brought about several needed changes, but the contents have been of the usual high quality. This volume was particularly noted for its poetry and essays. There were many efforts in the various departments. The Williams entered in the year were awarded as follows for the best essay to Hall, for the best poem to Phillips, and for the best poem to Wiley.

## *The Literary Societies*

THE past year was marked by intense interest in the participation in the literary meetings of the Union and the Concord Literary Societies. Mr. Chittenden, C. A. and F. Parker were the officers of the former, and Mr. Soderstrom, Wiley and F. Parker presided over the latter. There was no contest debate this year, but a most successful team composed of Sewell, DeVoe, C. A. and G. A. Gordon defeated the Concordians in the debating, supporting the negative of the question. It is hoped that this may become an annual event.

CAMBRIDGE FERRY SCHOOL

## *The Societies*

AS usual, the Missionary Society has had a very useful and very successful year. Under the leadership of Mr. Brown and F. L. Van Dusen, much has been done for the School. The Society is especially to be congratulated for the excellent group of speakers that it has had during the year.

Great interest has been taken in the Scientific Association this year. It has had a good number of interesting open meetings that have been well attended. Mr. Sears and McGee have made a great success of the season.

The Library Association, headed by Dr. Kendall and F. F. Stowell, is to be congratulated and thanked for its good work. The Library has been splendid and open to the evenings.

The Circle of Friends has had an unusual number of excellent speakers this year. The number of members also has increased. It was headed by Mr. Fiske and P. W. Herrick, Jr.

The Forestry Club has had an excellent season. Under Dr. Haslam and S. L. T. Brock it has done much to beautify the woods and country around the School.

We are glad to see that the Propaganda Society in the fourth form seems to have thrived.

## S. P. S. Football

ON November 16 a group of players and friends arrived from St. George's School eager to avenge the rout of the previous year. The day was fair for the spectators, but rather too bright for the participants.

S. P. S. kicked off at 2 o'clock. The more experienced St. George's men came back with a rush. They drove all before them till the nervous S. P. S. team softened its defence and took the ball on downs on the twenty five yard line. Then the visitors were pushed back to their eight yard line.

There was a tumbling pass over the goal line and St. George's had the ball. This was the one fine chance for a score during the game. The second half was uneventful and the game ended in a tie.

All honor and praise is due to the coaches and teams A., B., C., and especially Z., which was a purely voluntary undertaking organized by some fourth formers.

DeGee, leading the team for the second year, was unfortunately able to play only a short time on account of injuries received during the season.

Those who saw the game can attest that, although unspectacular, it was a hard fought contest between two evenly matched sportsmanlike teams.

### THE S. P. S. TEAM—P. M. B. deGee, *Captain*

THE SPS FOOTBALL TEAM

1911-1912

## *Club Football*

At the beginning of the season the Old Handreds and Isthmians were considered the only possible contenders for the Championship. The Delphians, however, with only one veteran, provided a pleasant surprise by winning a hard fought game from the champions.

On October 9 the Isthmians overcame the Old Handreds by a score of 14-0. On October 12 the Isthmians defeated the Delphians 10-0. The Delphians fell at the hands of the Old Handreds on October 16 to the tune of 12-0.

On October 19 the Isthmians and Old Handreds met for the second time. In the first half a pass, Ralph Miller, 2d, to deGrove, resulted in a touchdown, the drop kick was blocked. Then the Old Handreds made a determined drive only to be halted by the whistle on the four yard line. In the second half the Old Handreds three times got within twelve yards of the goal line but each time they were held for downs. The game ended Isthmians 6, Old Handreds 0. This was undoubtedly the most exciting game of the series to watch.

The Delphians fought their way to a 6-0 victory over the Isthmians on October 23, but two days later the Old Handreds proved superior to the Delphians, winning 18-0. On October 30 the Isthmians, although captainless, settled the doubts as to their superiority by conquering the Delphians 25-0.

Much credit should go to Mr. Black, the coach, and the late Mr. Fletcher, who did much towards laying the foundations of the first Isthmian championship in nineteen years.

THE OLD HUNDRED FOOTBALL TEAM

From left to right: Coach, Manager, Captain, Quarterback, Running Back, Fullback, Linebacker, Tackle, Guard, End, and Kicker.

## S. P. S. Hockey

[I]t is customary for the Year Book to report the S. P. S. Hockey games as, "Unusually exciting this year." This season, however, our games displayed three different aspects of very interesting hockey.

On December 21st, for the first time in history, the S. P. S.-Princeton Freshmen game was played in the Arena at Philadelphia, St. Paul's won by a score of 2-1. It was not until the last period that each team scored, S. P. S. drawing first blood. In the first overtime period, however, Pruyn endeared himself to St. Paul's by a magnificent, unassisted goal, thus winning the extremely close game.

Pruyn was also the hero of the Yale Freshmen game played here on February 12, under perfect weather conditions. In the second period, St. Paul's was discouraged by two very sudden and well-executed scores, the first of the game, by Yale, but when the third period opened, S. P. S. commenced a frantic, but nevertheless machine-like drive. Pruyn scored two excellent goals from long shots, thus inspiring St. Paul's to score the other goal, this one by Wimmerdugg, assisted by Kirkland II, making the final score 3-2 in favor of St. Paul's.

In contrast to the first two games, the S. P. S. Harvard Freshmen match, due to very watery ice, slightly resembled water polo. The game was marked by fatigable, although desperate, fighting on both sides, and by two casualties. It ended 2-1 in favor of Harvard.

## *Club Hockey*

THE Club Hockey season has been a very successful and exciting one. All but the first game were played on a new, and modern, and spacious rink. The Old Hundreds consistently demonstrated their superiority.

On January 10th, the Delphians won the opening game from the Old Hundreds, who, largely due to Prayn's playings, would have won but for Belknap's excellent guarding.

On January 23rd, the Old Hundreds played the Isthmians to a tie, neither team showing superiority.

The Isthmians beat the Delphians in an overtime game on January 24th. Hasler made both goals in the first, and only, overtime period despite Belknap's excellent guarding.

As if to wreak vengeance for their first defeat, the Old Hundreds overwhelmed the Delphians by a score of 6-0, on January 27th. Prayn and Belknap again excelled.

In a hard fought game on January 29th, the Old Hundreds defeated the Isthmians by a score of 2-1. There was no individual play worth notice.

The Isthmians eliminated the Delphians on January 31st. The exciting game ended 3-1, Iglehart, Cooke I, and Mills I all playing well.

The Delphians were finally eliminated by the Old Hundreds on February 3rd. It took Prayn's skillful shots to break through Belknap's guard, but the game ended 3-

The Old Hundreds won the Club Championship for the first time since 1921, by defeating the Isthmians in the most exciting game of the season, on February 27th. Splendid Hockey was the order of the day, although the ice was soft. Waterford led the way, and

## Track

IN the fall, nothing daunted by the noticeable absence of all three captains, there were many entrants in the three cross country runs, all of which were won by the Delphians with small margins. Jay, Munro and Stokrasen were chiefly responsible for the first Delphian championship in ten years.

A squad of four competed in the Harvard Inter-Scholastics this spring. E. Kirkland placed fifth in the half mile. Hisler was third in the broad jump and fifth in the quarter mile. Thompson and Munro failed to get points. This showing proved the high quality of S. P. S. track.

The Spring Meet was held on five different days, the climax of which was Anniversary June 5. The Delphians, as a product of Captain Thompson's leadership, won with a generous amount to spare. The Isthmians under Captain Hisler were second with Captain Kirkland's runners close behind.

Hisler was high jumper, winning five events. Richard, although a Junior, accounted for twenty-four points and earned his senior letter.

The coaches, Mr. Black and Mr. Harman, were again neutral.

It is impossible to omit in this page a word to the memory of Mr. Jefferson Fletcher who made possible the new track, now named for him.

After a short address by Mr. Arthur Jones the caps and prizes were bestowed by Miss Callahan. Proven was awarded the Hockey Medal, Paul deGree received the Gordon Medal for the best all round athlete.

## *S. P. S. Baseball*

THE S. P. S. baseball team, with but little over a week of practice was possibly the best yet but never represented the School. Exhibiting excellent team work, they managed to defeat their opponents, Concord High School, for the first time in three years, by a score of 6 to 4 in a scoreless game.

## *Club Baseball*

THE faculty club baseball at St. Paul's has been fairly successful in the past. A number of teams are entered in the league. Not a great deal was accomplished last year, but the activity of the team was not the point. The team was composed of the best players to be found anywhere in Old Hartford, and the best players were at St. Vincent's. Dr. Jones has set the example, by putting a number of players on the team. Dr. Jones has limited the club to put on a team from the club. Mr. Jones and Mr. Park have been the main force of the Old Hartford club, and Mr. Jones has been the main force in making the Isthmian team from the bottom to a very close second.

## Squash

THE following is a list of the teams which have been organized in the city, just to set aside a whole page as a record of this sport.

But the most interesting feature of the season was, however, the showing of the S. P. S. team which was organized in the fall of 1884. The team was organized by the S. P. S. Club, and the first game was played on January 31, 1885.

The outstanding feature of the season was, however, the showing of the S. P. S. team which was organized in the fall of 1884. The team was organized by the S. P. S. Club, and the first game was played on January 31, 1885. The scores were as follows:

| " "         | S. P. S. | 6 | Cygnet Boat Club,   |

FOOTBALL

## *Tennis*

MUCH interest in tennis was shown this year both by the occasional player and the devotees. The S. P. S. team led by Louke lost the first match to Baxter, 3-6, but won against Andover, 5-0.

Louke won the School championship by defeating Hartford in four sets.

The winning doubles team, Louke and J. H. Line, overcame the Cooke brothers in the finals. The One-Handed tennis team composed of Louke (Capt.), J. H. Line, Mitchell, Reese, and Perry, easily won the club championship.

## *Golf*

THE School course was in fine condition fall and spring and was crowded with boys and masters. The S. P. S. team, led by Jefferson, won trophies in two of its three matches. It saved both sweaters and prizes awarded to the School team. A. S. Clark won the School championship. Al Wister and Dennison won the Garretson Cup for foursomes.

# A SPECIALIST IN TENNIS RACKETS

Some people prefer to deal with a specialist, because their particular wants are looked after more carefully.

Agutter rackets are the result of many years of study, and are made to my special design. My extensive knowledge and close application in making and fitting rackets make it possible to select a racket which will give the best results.

BROWN & BURPEE employ five registered optometrists in their  
Manchester and Concord offices, and are fully equipped to render  
the most desirable sight service obtainable.

In their camera and developing department they carry Eastman's  
full line of cameras, including moving picture cameras.
